

Make it Yours

Racine County Print Center is pleased to offer direct to garment printing with Anajet's Ri3000 printer.

Using the Ri3000 we are able to create one of a kind, custom designs with on demand printing on T-Shirts, Sweatshirts, Polo Shirts, & Canvas Tote Bags.

Anajet Direct to Garment Printer

More information...

How it works:

- * Artwork must be a High Resolution PNG
- * A \$25 per hour charge may be added for any additional design service needed
- * Once the artwork is received we will provide a proof
- * After the proof is approved we will print the remainder
- * Turnaround time for shirts is 7-10 business days after the product has arrived and a physical proof has been approved

FAQ's:

- * Artwork can have 1 color or multiple colors, for best results bright/dark colors are recommended
- * An Estimated cost will be provided
- * Pieces are "works of art" meaning there will be slight variations between them

Cost Breakdown (Per Shirt):
Base fee: \$1.50
Ink Cost: Varies with Design/Size
Shirt Cost: Varies with Size
Pretreatment Cost: Varies with Size

CUSTOM DESIGNS/ ON DEMAND PRINTING*

You can provide your own shirts but they must be 100% cotton.
