ATTENTION

Racine County remains committed to proactively doing its part to keep its employees and community as safe as possible in response to recent developments with the novel coronavirus (COVID-19).

In an effort to help reduce the rate of community transmission by limiting opportunities for exposure and in accordance with guidance provided from the World Health Organization (WHO), the U.S. Centers for Disease Control and Prevention (CDC), and state and local authorities the **Racine County Treasurer's Office is requesting that customers, whenever possible, make use of our remote deposit box located in front of the Courthouse on Wisconsin Avenue.**

Green (Treasurer's Office) envelopes are provided at the remote deposit box for your convenience and a receipt of payment will be mailed to your address on file with our office. For security reasons, please do **NOT** place cash in the remote deposit box.

Our office will continue to remain open for the receipt of cash payments and critical functions that cannot be accommodated remotely. Thank you in advance for your cooperation with this temporary policy change.
